Space your way

Ready to Fit Space

A blank slate to make the space your own.

This option gives you the opportunity to fit out your office space how you like, to suit your business and culture.

Simple.

Fitted Space

A traditional lease but with the benefit of an initial fit out already done for you.

The flooring is laid, there's a kitchen and meeting room ready for you to fill, plus a comms room so you can securely get up and running quickly.

Fitted & Furnished Space

We'll provide the furniture, you just bring your team and their tech and you're ready to go.

With all furnishings included, there's nothing left to do apart from move in – top quality workspace allowing for a seamless transition.

Managed Space

Why not let us take care of maintaining your space?

Save yourself the hassle of organising cleaners, changing light bulbs, emptying the bins, maintaining printers and even all the health and safety of running a commercial space – not to mention the internet and utilities – let us do all that for you so you can get on with what you do best.

Founded in 2010, we are a leading UK-based private real estate investor that combines research-led investment themes with vertical integration and in-house operating platforms.

We invest in real estate located in and around select UK and European cities. Our team has a proven track record of investing throughout the capital structure and across asset classes, adding value with operational expertise.

Our ESG focus

Environmental, social and governance factors are embedded in our investment process which not only reduces risk but also generates value for our investors.

Select examples in practice are:

- socially responsible business plans that integrate our local communities
- active consultation with and responsiveness to local stakeholders

- revitalising heritage buildings and improving local landscapes
- providing spaces or funds for local community use
- improving building quality to provide greater energy efficiency and disabled accessibility
